Press Note

20th March, 2018

Commission Meets the Rt. Hon. President

Discussion on the International Conference Arranged by the Commission and Other Various Human Rights Issues

National Human Rights Commission's Hon. Chairperson including other members of the Commission led team expressed congratulation for her success of tenure of newly elected Rt. Hon. President Bidya Devi Bhandari. The Commission's chairperson Anup Raj Sharma also shared the objectives and the concept of the *International conference on Identifying Impunity and Realizing human Rights in South Asia* that will be held on 9 to 11 April, 2018 in Kathmandu.

In the meeting, discussion was also held on the present situation of human rights. After serious discussion on the prevalent issues like violence against women, Chhaupadi (banishing to cow sheds during menstruation) tradition, witchcraft, untouchability and racial discrimination, child rights, senior citizens right, it was pointed out that it would be better to direct the Government by the Rt. Hon. President for prompt action. Rt. Hon. President expressed her views that all parties of the society should support working against the prevalent malpractices as well as for the respect and protection of human rights.
