## Press Release

31 May, 2020

### NHRC deployed a team for Rukum and Jajarkot

#### Request to concerned all to support for the investigation of the incident

National Human Rights Commission deployed a team for Rukum and Jajarkot to monitor and investigate further on the murder incidents of 6 persons occurred at Rukum (Western Part) on 23 May in the issue of inter caste marriage. Previously, the District Level Human Rights Situation Monitoring Committee formed comprising of National Human Rights Commission, Nepal Bar Association, Federation of Nepal Journalists and the NGO Federation has conducted preliminary monitoring of the incident.

The NHRC Deputy Director Chandra Kanta Chapagain led team shall monitor and investigate upon the context of the incident, the status of caste based discrimination, the immediate cause of the incident, the situation of peace and security and social harmony following the incident, and the impartiality of ongoing investigation by the local administration and the police as well as the action taken to maintain peace and security.

The Commission requests to people's representatives, political parties, human rights defenders, civil society and all the local people not to amplify and stimulate on the caste-based discrimination related inhuman and criminal incident further, and provide all kinds of essential support to bring to book the perpetrators of the incident.
