Fast onto death by Professor Dr. Govinda K.C.

Resolve the Problem through Dialogue and Consensus

KATHMANDU: The NHRC team including the Chairperson Justice Anup Raj Sharma has acquired information about the situation of deprivation of health services provided to the sick people emerged through the fast onto death staged by Professor Dr. Govinda K.C. of Tribhuvan University Teaching Hospital, Maharajgunj with his 10 point demand placed forth. The monitoring team is inclusive of the Commissioner Sudip Pathak and other NHRC Officers.

Chairperson has expressed deep concern about the health condition of Professor Dr. Govinda K.C., situation of deprivation of health services endured by the sick and the dialogue held with the Government in this regard. As per the information, the health condition of Dr. K.C. is deteriorating while on the other hand the sick people are deprived of health treatment due to the closure of the Out Patient Department (OPD).

The Commission therefore would like to draw the attention of the Government of Nepal to protect the life of Dr. KC from being worsened and to address the demand raised by him positively through the dialogue and consensus.

Similarly, the Commission specially urges the Nepal Medical Association including all the concerned stakeholders to respect the right to health services of the sick.
